

REMARKS

After submitting formal drawings on October 12, 1993, a further detailed examination of the case revealed the need for further minor corrections of certain of the drawings and one correction in the specification, as set forth above.

Accordingly, new corrected sheets of drawings for Figs. 1, 6, 12, and 14 are submitted herewith, and it is requested that they be substituted for these figures presently on file. No new matter has been added to the drawings.

Respectfully submitted,
